

A Groat a Pound large Filberts, a
Groat a Pound ; full weight, a Groat
a Pound.

THIS Blowzybella, round the
town,
In basket or in barrow,
Hawks her large Filberts, ripe and
brown,
With kernels sweet as marrow.

But take good care her weights are
true,
And even pois'd the scales,
Or else you'll never have your due ;
Such roguery prevails.
